AAA Painting
529 W. Roosevelt Road
Wheaton, Illinois 60187

Just a quick note to say that I was most impressed by the quality service I received from your company.

The painting that was done, was completed in a timeley and professional manner with no complaints.

I would like to commend Donna in your office for her exceptional customer skills and found it was a delight to work with her.

I intend on calling upon you for more work on my other properties.

Thank you for an outstanding job!

Sincerely,

Carol Bykowitz
